Mr Geo. Robinson
511 Duval St.
Jacksonville Fla.

Dear Sir:

I am writing to ask you if the schedule for Jacksonville has been completed, and you have decided what dates you will let me have.

I would be very grateful for one Sunday in April and two or three nights if possible. I have not arranged any games as yet, as I want to know when we could be in Jacksonville, and arrange any other games around them.

Thank you for any cooperation you can give me on this.

Very Truly Yours
